SPARK has FREE Resources for YOU!

SPARK Webinars

Join us the 1st Wed. of each month at 6pm EST for an interactive presentation on a timely topic. Each webinar will provide a hyperlink to free, on-line samples so you can put the day's topic into action with your students.

Go to www.sparkpe.org and register today!

SPARK e-Newsletter

Each month you'll receive interesting articles on our profession, grant info and support, teaching tips, early word of SPARK offers and promotions, and more!

Go to www.sparkpe.org and sign up today!

SPARK Blog

SPARK is blogging! Our SPARK principals, Dr. Jim Sallis, Dr. Thom McKenzie and Mr. Paul Rosengard, are sharing their thoughts online each week. See what they have to say and respond directly to them and/or others doing SPARK around the country.

Go to www.sparkprograms.blogspot.com and check in every Wednesday for the latest posting.

UNIVERSITY EDUCATORS:

Did you know SPARK has FREE resources for your pedagogy/methods course?
